

Module

```
graph BT; A[models.common.Classify] --> B[Module]
```

The diagram consists of two rectangular boxes. The top box is white with a thin gray border and contains the text 'Module'. The bottom box is gray with a thin black border and contains the text 'models.common.Classify'. A solid blue arrow points vertically from the top center of the bottom box to the bottom center of the top box.

models.common.Classify
